

MetroPCS and Alpha Comm — Better Together

Some things naturally work better together. There's salt and pepper. Tom and Jerry. Bonnie and Clyde. One without the other just isn't the same. This holds true for MetroPCS and Alpha Comm.

MetroPCS provides great phones and unlimited, flat-rate service plans. Alpha Comm is the only authorized provider of MetroPCS-branded wireless accessories. We manufacture and distribute everything from cases and chargers to Bluetooth headsets and batteries. Our exclusive partnership with MetroPCS means you have accessories prior to launch, allowing you to maximize profit potential with every new phone.
